

BRADY INDEPENDENT SCHOOL DISTRICT

2020-2021 Return to School Plan

Brady ISD is looking forward to welcoming our students back to school on August 24, 2020. Despite the challenges with COVID-19, we will continue to provide our students a high-quality education with both face-to-face and remote instruction. In addition, our district will focus on the health and safety of all students, school personnel, and community members.

This plan will continue to be updated based on the latest guidance and best practices from the Center for Disease Control (CDC), Texas Department of State Health Services (TDSHS), McCulloch County Health Department, Texas Education Agency (TEA), University Interscholastic League (UIL) and local governance.

General Health and Safety Guidelines

General Health & Safety Protocols

- Campus staff will be trained in COVID-19 safety protocols.
- Disinfectants will be used for deep cleaning campuses.
 - The District will store these products safely and ensure that harmful cleaning products are not used near children.
- Students, teachers, staff, and essential campus visitors/volunteers will be encouraged to sanitize and wash hands frequently.
- Tissues will be provided in classrooms and common areas to encourage students and staff to cover coughs and sneezes with a tissue, and if not available, to cover with their elbows. Used tissues should be thrown in the trash and hands washed immediately with soap and water for at least 20 seconds, or hand sanitizer should be used.
- Social distancing and safety signage will be added and visible throughout school facilities.
- No outside visitors or parents will be allowed to come to school for lunch at least during the fall semester.
- Visitors and volunteers will be limited, at least during the fall semester. NOTE: essential volunteers scheduled for work at a campus will be pre-screened for temperature/symptoms before admittance on campus.
- Brady ISD is permitted to prevent any individual who fails the health screening criteria from being admitted to the campus until they meet the criteria for re-entry to the campus.
- Students will utilize backpacks instead of hallway lockers, at least during the fall semester, to help ensure social distancing/space between students.
- Currently, all locker rooms and shower rooms are “CLOSED.” This guideline could change by the opening of school in August.
- **“Close contact” is defined by the Centers for Disease Control and Prevention (CDC) as:**
 - being directly exposed to infectious secretions (e.g., being coughed on while not wearing a mask or face shield); or
 - being within 6 feet for a cumulative duration of 15 minutes, while not wearing a mask or face shield.

BRADY INDEPENDENT SCHOOL DISTRICT

2020-2021 Return to School Plan

Health Self-Screening for Staff & Students

- Students and staff are required to take their own temperatures daily before arriving at school. Anyone with a fever of **100 or higher** should not come to school or a BISD facility. (TEA mandate)
- Students and staff **are required** to self-screen before coming to school by asking the following question (TEA mandate):

Have you recently begun experiencing any of the following in a way that is not normal for you?

- Feeling feverish or a measured temperature greater than or equal to 100 degrees Fahrenheit
 - Loss of taste or smell
 - Cough
 - Difficulty breathing
 - Shortness of breath
 - Headache
 - Chills
 - Sore throat
 - Shaking or exaggerated shivering
 - Significant muscle pain or ache
 - Diarrhea
- Students and staff may be subject to periodic temperature checks for verification, especially if they are feeling ill or suspected of having a fever during the school day.
 - Teachers will have access to a touch-free forehead thermometer to check/verify temperatures throughout the day as needed and will immediately send anyone with a **100 or higher** temperature to the school health clinic for temperature verification and symptom check by the school nurse.
 - Teachers, staff, and students must report to campus/district administration if they have COVID-19 symptoms or are lab-confirmed with COVID-19, and, if so, they must remain off campus until they meet the criteria for re-entry.
 - Additionally, teachers, staff, and students must report to campus/district administration if they have had close contact with an individual who is lab-confirmed with COVID-19, as defined in this document, and, if so, must remain off campus until the 14-day incubation period has passed.
 - Brady ISD will be pre-screening all contracted workers and essential volunteers before they are allowed entrance on campus.
-

School Health Clinic Procedures

- School nurses will be trained in COVID-19 safety protocols.
- Minor health needs may be handled in the school office area to reserve the health clinic space for students experiencing symptoms or fever.
- Attendance clerks will be trained to communicate the protocol for students/staff who are absent for COVID-19 symptoms.
- Regardless of age, students who come to the school health clinic showing symptoms will be required to wear a mask until their parent arrives to take them home.
- School health clinics will be cleaned and disinfected regularly.

Protocols for Individuals Confirmed, Suspected, or Exposed to COVID-19

Any individual, including teachers, staff, students or other campus visitors/volunteers, who either a) are lab-confirmed to have COVID-19 or b) experience symptoms of COVID-19 (as described in this document) **must** stay at home throughout the infection period, and cannot return to the campus until the school screens the individual to determine if the below conditions for campus re-entry have been met.

Confirmed COVID-19

If an individual who has been in a school is **lab-confirmed to have COVID-19**, the District must notify the McCulloch County Health Department, in accordance with applicable federal, state and local laws and regulations, including confidentiality requirements of the Americans with Disabilities Act (ADA) and Family Educational Rights and Privacy Act (FERPA).

In the case of **an individual who is diagnosed with COVID-19**, the individual may return to school when a medical professional certifies **all three** of the following criteria are met:

- 1) at least (24 hours) have passed since recovery (resolution of fever without the use of fever-reducing medications);
- 2) the individual has improvement in symptoms (e.g., cough, shortness of breath); and
- 3) at least 14 days have passed since symptoms first appeared.

Suspected COVID-19

In the case of **an individual who has symptoms that could be COVID-19 and who is not evaluated by a medical professional or tested for COVID-19**, the individual is assumed to have COVID-19. The individual may not return to the campus until the individual has completed the same three-step set of criteria listed above.

If an individual has symptoms that could be COVID-19 and wants to return to school before completing the above stay-at-home period, the individual must either a) obtain a medical professional's note clearing the individual for return based on an alternative diagnosis, or b) obtain an acute infection tests at an approved COVID-19 testing location found at <https://tdem.texas.gov/covid-19/>.

BRADY INDEPENDENT SCHOOL DISTRICT

2020-2021 Return to School Plan

Exposed to COVID-19

Individuals, including students, teachers, staff or other campus visitors, and volunteers, **who have had close direct contact (as defined at the beginning of this document) with someone who is lab-confirmed to have COVID-19**, should stay at home through the 14-day incubation period, and should not be allowed on campus.

Brady ISD school nurses will screen individuals after the incubation period has concluded. If the individual did not experience COVID-19 symptoms during that period, the individual could be allowed back on campus. If the individual experienced symptoms, they must stay at home until the conditions outlined above have been met.

Bus Transportation Protocols

- Families are strongly encouraged to drop students off at and pick students up at school, carpool, or walk with their students to school
- Brady ISD will provide bus transportation options at the beginning of the fall semester as conditions are evaluated and ridership numbers are examined
- Bus drivers will be trained in COVID – 19 safety protocols
- All bus drivers will wear a mask
- All students are highly encouraged to wear a mask
- Hand sanitizer will be provided on all buses and is to be used by all students when boarding and exiting the bus
- Seats, handles, and high-touch areas will be disinfected between morning and afternoon routes.
- When possible, bus windows will be opened to allow outside air to circulate in the bus.

To assist our Transportation Department, during registration, please indicate if you would utilize Brady ISD bus transportation if provided.

Lunchroom Safety

- Brady ISD plans to utilize the school cafeteria as much as possible for student meals. NOTE: no parents/visitors during lunch, at least for the fall semester.
- Modifications to lunch procedures will be based on what is feasible for each campus and grade. These adjustments will include a combination of staggered schedules, classroom meals, additional lunch periods, rotating groups eating in classrooms and cafeterias, and classes eating together with spacing between groups.
- Cafeteria staff will be trained in COVID-19 safety protocols.
- All cafeteria staff will be wearing masks and gloves while serving students.
- Students will be issued a cafeteria card to use as part of the “no-touch” lunch purchase process.

BRADY INDEPENDENT SCHOOL DISTRICT

2020-2021 Return to School Plan

- Seats, tables, door handles, and high-touch areas will be disinfected regularly.
- When possible, food items will be prepacked and boxed to minimize face-to-face contact in the cafeteria line.

Personal Protective Equipment (PPE) & Masks

- For this document, masks include non-medical grade disposable face masks, cloth face coverings (over the nose and mouth), or full-face shields to protect eyes, nose, and mouth.
- ***Masks are currently not required, since McCulloch County is currently exempt from the Governor's Executive Order GA-29 for having less than 20 active cases of COVID County wide. However, BISD highly encourages all students and school personnel to wear masks.***
- According to health guidelines released by the Texas Education Agency, masks are not developmentally appropriate for Pre-Kindergarten and Kindergarten students.

- The Texas Education Agency recently announced that PPE would be purchased and provided to each District for use as needed.

From the state, Brady ISD will receive:

- 3,014 student size disposable masks
- 7,033 adult size disposable masks
- 697 student size reusable masks
- 1,814 adult size reusable masks
- 6,664 gloves
- 8 thermometers
- 118 gallons of hand sanitizer
- 196 adult face shields

- ***Masks: In the event McCulloch County is no longer exempt from the Governor's Executive Order GA-29, Brady ISD students and personnel will comply with the following:***
 - For Pre-K through 3rd grade, parents may determine if masks or face coverings are developmentally appropriate. At this time, masks **remain an option** and are not mandated for students in grades Pre- K through 3.
 - For 4th through 12th grade students, masks or face coverings **are required** in accordance with the Governor's Executive Order GA-29 (TEA mandate).
 - Some 4th grade students will be nine years old at the beginning of the year. To assist with compliance and safety, BISD requires masks for all 4th grade students regardless of age.

BRADY INDEPENDENT SCHOOL DISTRICT

2020-2021 Return to School Plan

- All BISD staff will wear face coverings, masks or shields in accordance with the Governor's Executive Order GA-29.
- Executive Order GA-29 requires a mask except:
 - wherever it is feasible to maintain six feet of social distancing from another person not in the same household;
 - if a person has a medical condition or disability that prevents wearing a face covering;
 - while consuming food or drink, or seated to eat or drink;
 - while exercising outdoors or engaging in physical activity outdoors while maintaining a safe distance from other people not in the same household;
 - while giving a speech to an audience while maintaining a safe distance.

Handwashing & Hand Sanitizers

- Students and staff will be trained in proper handwashing protocols to prevent COVID-19 and the spread of germs.
- Elementary teachers will be encouraged to supervise student handwashing for 20 seconds at least two times each day. In addition, all students will be encouraged to wash hands after using the restroom and before eating.
- Handwashing stations are available in restrooms and some classrooms.
- Hand sanitizer is available in each classroom and commons areas.

Social Distancing Protocols

- Students and staff will be trained in proper social distancing.
- Signage will be provided to help assist students and staff with social distancing in shared spaces and hallways.
- Social distancing becomes a personal responsibility of each individual attending school or coming to a BISD facility. Anyone causing a disruption or unwillingness to follow BISD safety protocols, putting students/staff at unnecessary risk may be asked to leave the premises immediately.
- Schools will reduce in-person staff meetings or other opportunities for adults to congregate in close settings. When those meetings are necessary and cannot be done via electronic means, everyone must follow the mask protocols in this guidance.
- Whenever possible throughout the day, students and staff will remain six feet apart. It is not feasible that staff and students maintain six feet of social distancing at all times, especially in classrooms and instructional settings.

BRADY INDEPENDENT SCHOOL DISTRICT

2020-2021 Return to School Plan

Cleaning & Disinfectant Protocols

- BISD custodial employees have been trained on COVID-19 safety protocols.
- Cleaning and disinfecting will occur daily in every classroom, commons area, and on high-touch surfaces.
- Every classroom and office area will have disinfectant in a spray bottle with cleaning cloths provided for employees and students to use in high-touch areas throughout the school day.
- The state recommends that each school district provide students the opportunity to clean their own spaces before and after they are used in ways that are safe and developmentally appropriate.
- In addition to cleanings throughout each day, restrooms, cafeterias, and computer labs will undergo extensive cleaning after each day's use.

Instructional Delivery Options

Brady ISD is committed to providing rigorous, TEKS-based instruction to all students whether they attend school face-to-face or select remote instruction. We recognize that this may be a challenging year, but we are embracing the opportunity to expand and maximize learning for all students. Toward that end, we will offer face-to-face instruction and remote instruction for all students for the 2020-21 school year. **Head Start instructional plans are still being finalized.**

All students, face-to-face or remote, must still register. We will ask parents to inform the school district if they select face-to-face or remote learning as their preferred method of instruction as part of the student registration process.

Parents must select their mode of instructional delivery by Monday, August 10, 2020. This will allow our campus administrators an opportunity to plan student and classroom assignments accordingly.

Once parents have selected an instructional delivery mode, the student will remain in that setting until the end of that six week grading period.

Reminder: The first day of school is Monday, August 24, 2020.

BRADY INDEPENDENT SCHOOL DISTRICT

2020-2021 Return to School Plan

Face-to-Face Instruction

The key to returning to successful, sustained in-person instruction will be our commitment to health and safety guidelines (below). In-person instruction will resume on August 24. Students will follow regular schedules and course assignments. We support [The American Academy of Pediatrics](#) guidance that strongly advocates for policy considerations for the coming school year that starts with the goal of having students physically present in school. They further state that “Schools are fundamental to child and adolescent development and well-being.”

Safety Guidelines for Face-to-Face Instruction

The District has budgeted for the necessary cleaning and sanitization supplies needed to open schools in August. The Texas Education Agency also provided additional supplies to school districts. All classrooms will be equipped with hand sanitizer, and bathrooms will be stocked with soap and paper towels. Parents do not need to send additional cleaning supplies to the campuses.

All students will receive instruction on the first day of school on appropriate hygiene practices and mitigation strategies and will be reinforced throughout the school year. We have faith that our students will embrace doing their part to keep their home and school families safe.

PUBLIC HEALTH STATEMENT

As it has always been, the health and safety of our staff and students remain our highest priority. While it is not possible to eliminate all risk of furthering the spread of COVID-19, this guidance document contains information on four sets of practices that minimize the likelihood of viral spread. These protocols and guidelines will be modified based on public health and governmental directives and advancing scientific knowledge on the transmissibility of COVID-19. We also believe that educating our students about proper hygiene techniques and necessary safety measures to prevent the spread will not only keep them safe but will also keep their respective families safe.

Face-to-Face Instruction

Remote Asynchronous Instruction

Remote asynchronous instruction refers to a learning experience where students engage in assigned materials remotely and interact with the teacher via the computer or other electronic devices or over the phone. There is pre-assigned work with formative assessments on paper or district-selected electronic platforms. BISD's remote instruction may include live, scheduled, interactive classes with teachers and students. Regular grading policies apply to remote learning.

ROLES AND COMMITMENTS FROM THE STUDENTS AND PARENTS IN REMOTE LEARNING

STUDENTS	PARENTS / GUARDIANS

OTHER SERVICES – REMOTE INSTRUCTION

SPECIAL EDUCATION	Parents should rest assured that we are committed to implementing a child's IEP to the fullest extent possible in a remote setting. If there are difficulties with implementation, we will come together and arrive at workable solutions in the best interest of the child.
FOOD SERVICES	Families who select remote instruction may pick up breakfast and lunch at Brady High School. Details will be provided on the district website.
TECHNOLOGY DEVICES FOR STUDENTS	<ul style="list-style-type: none">• All students in the remote learning model who do not have access to a technology device may check one out from their campus.• Technology staff will be available in all instructional models to assist students and staff with technology support.• Brady ISD purchased a limited amount of mobile hot spots for families in need of internet access.
PARENT TECHNOLOGY SUPPORT	<p>The District continues to develop family resources for all remote learning platforms.</p> <p>Training is posted at For Parents & Students on the BISD website.</p>

Attendance and Enrollment

- Brady ISD will be required to record DAILY attendance in face-to-face and remote learning models. This requirement means students must have documented daily engagement to be counted present for credit purposes.
- Per Texas Education Code (TEC) 25.092, students must attend 90 percent of a course (with some exceptions) in order to be awarded credit for the course and/or to be promoted to the next grade. This requirement remains in effect during the 2020-2021 school year.
- When available, BISD will provide parents notice of their public education enrollment and attendance rights and responsibilities during the COVID-19 pandemic using a document published by TEA.

Technology Support

- All students in the remote learning model who do not have access to a technology device may check one out from their campus.
 - Technology staff will be available in all instructional models to assist students and staff with technology support.
 - Brady ISD purchased a limited amount of mobile hot spots for families in need of internet access.
-

Extracurricular Participation

- Extracurricular participation in certain activities will require a face-to-face component. Detailed guidance will be released at a later date.
 - **Athletic practices and contests will be conducted following safety protocol provided by guidance from Brady ISD, UIL, and TEA.**
 - Students and staff will be trained in COVID-19 safety protocols.
 - All participants, coaches, and directors will follow the rules established by the University Interscholastic League and the Texas Education Agency.
 - UIL guidance can be found on the [UIL Website](#).
 - In response to healthcare providers' focus on the COVID-19 pandemic, the UIL recently waived the required pre-participation physical examination for students involved in band/athletics who already have a physical on file for the 2019-2020 school year. Those students who are new or do not have a physical already on file will be required to get a physical and complete the pre-participation physical examination form BEFORE participating in band/athletics for the 2020-2021 school year.
 - PE locker rooms and showers are currently "CLOSED." This directive could change as we near the opening of school in August.
 - **Bus travel will follow the transportation guidelines provided by Brady ISD and TEA.**
 - Spectator attendance at games and contests may be limited based on TEA and UIL guidelines. Ticketing for events may be utilized to control the capacity of facilities.
 - Postgame sign-out procedures for athletes will be communicated to parents before the beginning of each season.
 - Event procedures will be in place to minimize face-to-face interactions.
 - Separate entrances and exits may be utilized, and event doors may be propped open to minimize physical contact with handles.
 - Spectator seats may be marked and configured in a way to enforce social distancing.
 - Concessions or concession sales may be limited to encourage social distancing and to follow health and safety guidelines.
 - **Students who opt for remote learning will not be eligible to participate in extracurricular activities.**

Facility Rentals & After-School Events

- Due to COVID-19 and the impact on facility management, Brady ISD will be limiting fall rental of school facilities primarily to outdoor fields.
 - TEA recommends that after-school providers and other programs that operate in conjunction with campuses follow this guidance in coordination with the campuses they serve.
 - Any operation of facilities should be done consistent with the Texas Governor's Executive Orders for similar activities.
-

Large-Group Gatherings & Special Events

To begin the fall semester, BISD will avoid scheduling non-essential large group gatherings and events where adults and students must commingle or where students would be unnecessarily exposed to the virus in public places such as field trips, assemblies, dances, public pep rallies, PTO fun nights, etc.

Social-Emotional Support/Mental Wellness

- Brady ISD counselors will be trained in COVID-19 safety protocols.
 - Counselors will develop strategies and support for students, families, and staff members for each phase of recovery (before reopening, immediately after reopening, and long-term support).
 - Counselors will develop a referral system for individuals who need targeted support as well as access to school-employed and community mental health professionals.
 - A process will be established to help identify and provide support to students or staff, perhaps at higher risk for significant stress or trauma from COVID-19. This process should involve conducting psychological triage to determine who needs crisis intervention support through a review of data about students and staff that they received during the closure.
 - Students in need of social-emotional support will be provided tiered interventions which could involve referral for additional school-based services or referral for outside mental health support.
